## ALUMNI SPOTLIGHT, ANDY DUNN, AP 288

We're pleased to bring you Andy Dunn, AP 288 who is another great example of a Brother who understands the lifelong commitment to Pi Kappa Phi. His dedication to our Fraternity and our Chapter spans 30 years since his Initiation in 1989.

Andy has always been willing to share his enormous talent to serve the goal of helping Alpha Rho become "The Ideal Chapter". As a member of the Student Chapter, he served in many leadership roles on Executive Council including a term as Archon. As an Alumni, Andy has never strayed too far from Morgantown. Although geographically he now makes his home in Arizona, he is often back in Morgantown to support the Alumni Chapter and stay close to his Brothers.

Last year, Andy became a Black Diamond Member of the Alumni Chapter signifying his financial commitment to help us continue the work we do. Andy has already committed to be with us in April to celebrate the 40th Anniversary of the 1978 Rechartering and the current Rechartering. We're lucky to have Andy as part of Alpha Rho and wish to thank him for his 3 decades of continued service to Alpha Rho and Pi Kappa Phi.

Well that's exactly what some of my friends and family members said when I told them I joined a fraternity in the fall of 1989. Hands down, joining Pi Kappa Phi was one of the best decisions I ever made. We had a great time each and every semester and yet there was always something more to our experience than just the social events. We were given the opportunity to chart our own destiny and give back to our community. In that sense, fraternity is exactly like life. You get

out of it what you put into it. The great thing about our fraternity is our ritual and shared experience makes it possible to connect with one another across generations.
